They are mocked and ridiculed. We should be the ones reaching out to them. This is what humanity is: a Tragic Flaw. We want lives to be changed...

That's a lot of talent right there folks! Be sure to cheer em on, and support them by buying their merchandise. Playing music, especially in a band is no cheap adventure. They sell shirts and CD's to fund there travel expenses, gear maintenance, and the trail of pizza boxes that lead from here to their homes! So, don't be a cheapskate. Help support these guys that "Play for God".
